CMT Internet Marketing Packages Offer Scalable and Comprehensive Options for Customers of All Sizes!

Affordable, Effective and Proven

Core and More Technologies has helped corporations of all sizes to increase traffic to their websites by **OVER 70%** on a monthly basis. Our proven methodologies, [professional reports](#) and systematic approach make us a leading internet marketing provider with a growing track record of success for global customers across unrelated industries.

We offer expert level organic search engine optimization, pay per click management, site design and branding as well as social media marketing services.

We know that [RESULTS MATTER!](#) And in this economy, VALUE through [RETURN ON INVESTMENT](#) is *everything*. And we believe that once you experience the remarkable results and the instant response that distinguishes us from our competitors, you will become a customer for life!

Our entire "[Global Internet Marketing Package](#)" consists of the base offering along with three additional packages. Each package includes an additional 5 keyword combinations. If you purchase the entire package, we will also include an additional 5 keyword combinations – giving you a total of **25 keyword combinations!** That is the highest number of keyword combinations available in the industry today.

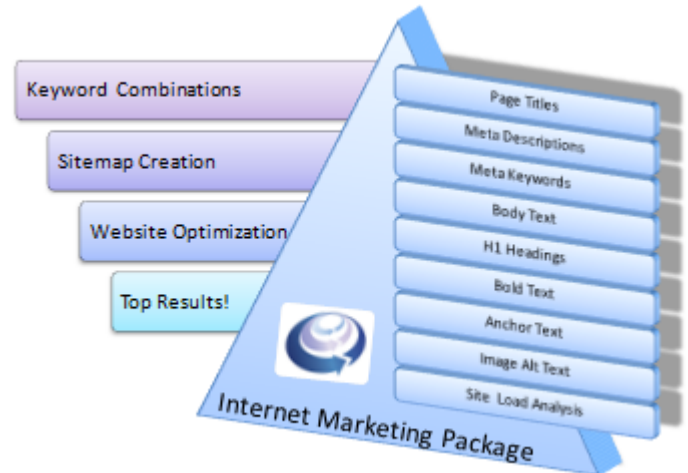

With the purchase of our "[Base Internet Marketing Package](#)", all additional packages can be purchased separately depending upon your goals. However, these packages strengthen the effectiveness of one another. A key ingredient of any successful internet marketing strategy is organic search engine optimization (SEO), and a key ingredient of any successful SEO strategy is exposure. They are directly proportional and mutually supportive, and so we highly recommend the entire solution to accelerate progress and strengthen results!
