Introducing the **new marketing client portal** from Core and More Technologies!

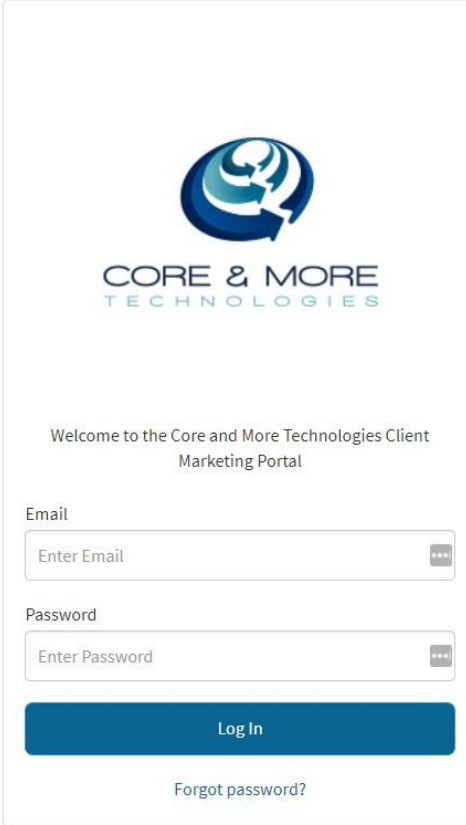

Q3, 2020

SourceCube Super-Evolved!

Core and More Technologies is very excited to announce that we are now providing complete lead generation and pipeline tracking through one seamless, dynamic, and highly configurable portal!

Each and every one of our clients will now have their own secure, personalized portal that immediately displays all the metrics that are most important to their individual success!

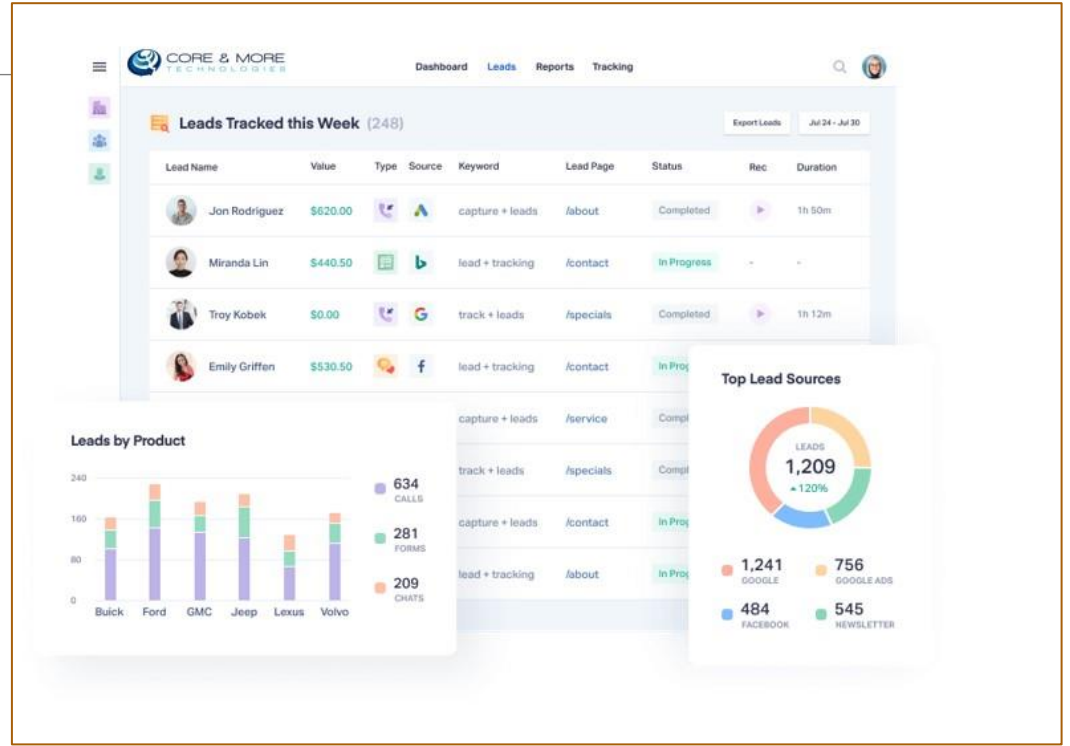

The screenshot shows the login interface for the Core & More Technologies Client Marketing Portal. At the top center is the company logo, which consists of a blue circular icon with a white stylized figure inside, followed by the text "CORE & MORE TECHNOLOGIES" in a blue, sans-serif font. Below the logo, the text "Welcome to the Core and More Technologies Client Marketing Portal" is displayed in a smaller, grey font. The login form includes two input fields: "Email" and "Password". Each field has a placeholder text "Enter [Email/Password]" and a small grey square with three dots on the right side. Below the password field is a prominent blue button with the text "Log In" in white. At the bottom of the form, there is a link that says "Forgot password?" in a grey font.
